

Enhance your Sedona stay with the perfect complement... treat yourself and your loved ones to our luxurious Spa Sessions.

Each of our Signature Massages, Body Wraps and Spa Treatments are individually designed to re-kindle, nurture and balance your body's own natural healing rhythms.

In creating a personalized spa service especially for you, your well-being is our most important guide. Licensed, highly experienced massage therapists, world class modalities, superior healing therapies and your own personal, 15 min. pre-treatment therapist consultation come together with one intent: to perfectly soothe, relax & renew your body, mind and spirit.

All A Spa for You spa sessions include individually custom-blended therapeutic modalities, exquisitely warm rocks, Simple Path Organic Skin Care products & doTERRA® 100% pure essential oils.

"Whether you're a Spa Connoisseur, or ready to receive your first massage experience, it will be our pleasure to ensure that yours will be the memorable highlight of your Sedona day."
